Penguin Putnam Inc, United States, 2014. Hardback. Condition: New. Language: English. Brand new Book. Seventeen-year-old Althea is the sole support of her entire family, and she must marry well. But there are few wealthy suitors--or suitors of any kind--in their small Yorkshire town of Lesser Hoo. Then, the young and attractive (and very rich) Lord Boring arrives, and Althea sets her plans in motion. There's only one problem; his friend and business manager Mr. Fredericks keeps getting in the way. And, as it turns out, Fredericks has his own set of plans . . . This witty take on the classic Regency--Patrice Kindl's first novel in a decade--is like literary champagne! "If you're a fan of I Capture the Castle you will love this sharply funny tale of courtship. A delicious confection." -- Polly Shulman, author of Enthusiasm "Take one Austenian heroine in desperate financial straits. Put her in a crumbling castle, give her two evil stepsisters and some very unsuitable suitors. Make it funny! Patrice Kindl's Keeping the Castle is an absolute charmer!" -- Karen Joy Fowler, author of The Jane Austen Book Club.
